The background of the page is a stylized representation of a beer glass. The top portion is a light beige color with a wavy, scalloped edge, representing the foam of a beer. This section is filled with numerous small white circles of varying sizes, representing bubbles. Below the foam is a solid, vibrant yellow color, representing the beer liquid. This section is filled with several larger, semi-transparent yellow circles of varying sizes, also representing bubbles. The overall effect is clean and modern, with a clear focus on the theme of alcohol.
